

## Week 3 that 節の識別

### 3

One of the things that I find hard to understand in Japan is that most young people tend to select and gladly wear outfits similar to each other while they, at the same time, insist grown-ups should accept the fact that everyone has their own tastes and preferences.

## Point 2 that 節の識別

- ① The trouble was **that** my boyfriend had a weird dream.
- ② He must be hurt **that** he should react like that.
- ③ A fear **that** the worst had happened overcame him.
- ④ What is the use of a dream **that** cannot come true?

### 4

People in the medieval period were so convinced that the earth was the center of the world that Galileo who claimed that the earth moved around the sun was prisoned, leaving the famous words, “And yet it moves.”
